

## SEPTIC TANK PROFILE

Inspection Access Covers

Build up of solids is prevented by bacteria stimulated by BIOLOGIC®

*Prolong the life of your*  
**SEPTIC SYSTEM**  
*and reduce septic tank pump outs!*

*“Septic beds that required monthly pumping are now functioning as if they are brand new”*

Denis Martinek, Tyrolean Village Resorts at Blue Mountain

**SCICORP®**  
SCICORP INTERNATIONAL CORP.

*Environmentally friendly wastewater treatment and odour solutions for HOME OWNERS, BUSINESSES and MUNICIPALITIES*

## BIOLOGIC® SR2

- Ecologo approved
- Reviewed by Ontario Ministry of the Environment
- Long shelf life
- Non-toxic and environmentally friendly
- Powerful results at low cost

*A 120 mL “one shot” of SciCorp BIOLOGIC® SR2 added to your toilet once a month will:*

- ✓ No fuss, no mess
- ✓ Fix your plugged drain field without digging
- ✓ Significantly reduce the frequency of septic tank pump outs
- ✓ Stop odour during pump outs and periods of heavy use
- ✓ Eliminate solid/slime build up in your septic tank and drainfield
- ✓ Prevent costly drain field repair and replacement
- ✓ Costs pennies a day!
- ✓ Check out [scicorp.net](http://scicorp.net) for the science behind the technology

*“I believe that BIOLOGIC® SR2 is an excellent product”*

Brad Hoover, Operations Manager, Ontario Clean Water Agency, Georgian Bay Hub
