

Social Investment Policy

SciCorp is committed to making a positive social impact through its business activities. This Social Investment Policy outlines the principles and strategies guiding our efforts to contribute to the well-being of communities where we operate, ensuring alignment with Ontario government regulations.

Scope

This applies to all employees, business partners, and stakeholders involved in SciCorp's social investment initiatives, including our local and international clients.

Objectives

SciCorp's social investment initiatives aim to:

- Support local communities where we operate.
- Encourage diversity, inclusion, and fair labor practices within our company and supply chain.
- Strengthen partnerships with stakeholders to enhance community well-being.
